Propeller Entries

Annual Propeller Inspection completed IAW FAR 91.409 and the requirements outlined in FAR 43 App. D. with reference to the Cirrus AMM check list ch 5-20. Cleaned and dressed blades. Serviced hub. All ADs current through release 2026-08.... Removed propeller and replaced leaking crankshaft seal with new, re-installed propeller.

I certify that this Propeller has been inspected in accordance with a 100Hr/Annual inspection and has been determined to be in airworthy condition. This aircraft is approved for return to service. Pertinent details are on file under the listed Work Order.
